

2018 EDITION

# THE SAILCLOTHS

# THE SAILCLOTH

Brand new for 2018, and direct from America, our Sailcloth Tents are the newest addition to our alternative tent hire range. Combining the practicality of a more traditional shape, with the impact of an imposing height and modern, clear sided walls makes these tents totally unique. The seams of their parachute-style canopy sweep down from the 6-meter wooden support poles, creating a grand sense of space and style.

## THE LAUNCH

Our Sailcloth Tents will be launched on the 28<sup>th</sup> April 2018 (with a venue to be announced). This will be a fantastic opportunity to see the tents up, and styled, and to meet the team to discuss how these new tents might make the perfect hire for your next event.

28<sup>TH</sup> APRIL 2018

Our Sailcloth Launch will be the first opportunity to see our BRAND NEW Sailcloth Tents up and styled! Floorplans, layout ideas and all of the team will be on hand to help advise how these fantastic tents will be a great option for your next event.

## SINGLE POLE HAMPTON

The single pole Hampton is 14 meters in diameter, with a 6-meter-tall support pole. With straight sided walls that can be left on as clear panels or rolled up to further enjoy the outdoors, this smallest version can seat up to 100 guests.

## 2 POLE HAMPTON

14 meters x 20 meters. A great size for up to 150 guests with room for dancefloor or bar. Please ask for further guidance on how much room to allow for your guest number.

The clear sided walls mean that views can be enjoyed in panoramic, come rain or shine. The best bit about these walls is that they can be added or rolled up and away at a moments notice. So the Great British Weather needn't put a dampener on your party once the rigging team have left the site. You have the flexibility to change the spaces, as often as the changeable weather demands.

## 3 POLE

14 x 26 meters. A great size for a truly impressive space. Whether you include our brand new, large round bar as a centre piece; or want to host a colossal dancefloor, this largest of options will likely hold it all. With room for up to 200 seated guests.

*PICTURED 3 Pole Hampton with clear sided walls, front panels removed. Plus perimeter festoons*
